# ABOUT US

Trigno Import Export Pvt Ltd. is a Government recognized, trusted name in the global supplier market of food products, agricultural commodities and paper products. Over the years we've evolved as a renowned producer and exporter of agriculture commodities, we take great pleasure in delivering premium quality from India to our clients abroad. And today our transactions are marked across the globe. Our primary focus is to provide top quality produce, seamless, cost effective sourcing to our clients with reliability and world class service. With the vast network of clients across the globe, we have efficiently managed to deliver an ideal blend of optimum quality products at competitive prices.

## OUR MISSION

At Trigno import export private limited, we don't just meet client demands and benchmarks, we raise them. We offer a competitive edge to the market at all times and ensure our quality is never compromised by quantity or other factors. It is this approach dedicated towards quality that helps us deliver the highest international standards at the best possible prices.

# WHEAT FLOUR

Wheat flour is made by grinding whole wheat grain kernels into a fine powder. Wheat flour and Chakki fresh Aata makes up a key ingredient in the staple foods of the world population. Wheat Flour from India is exported to over 121 countries . In the year 2020-2021 (Apr-Nov), India has exported Wheat Flour worth of 111.4 USD million. We have acquired immense market appreciation owing to the superior quality of our Wheat Flour.

Our superior quality flour is not only nutritious but also useful to prepare variety of tasty dishes. We use Wheat from Madhya Pradesh, which is one of the best quality wheat in the world.

# WHEAT

Wheat is a cereal grain which is a worldwide staple food. Wheat is grown on more land area than any other food crop, also the world trade in wheat is greater than for all other crops combined. Most premium quality wheat in India, which is preferred and renowned throughout the world, is cultivated in the Narmada Valley region. Trigno directly sources it from farms and exports to our valuable clients worldwide. India is a significant exporter of wheat in the world.

Owing to the complete range of quality of wheats grown in India it caters to the needs of every individual. We use Sharbati wheat from Madhya Pradesh which is the best quality wheat in entire world. M.P. wheat Sharbati gehu is known for its soft quality and its taste on the sweeter side.

# CHICKPEAS

Chickpeas, also known as garbanzo beans, are part of the legume family. It is available in a variety of colours. However, most famously traded is the Kabuli and Desi (Green Indigenous) Chickpea. Since it is a rich source of vitamins, minerals and fiber, chickpeas offer a variety of health benefits.

India is the 3rd largest exporter of chickpeas on the world. Chickpea is exported from India majorly to Pakistan, Algeria, United Arab Emirates, Saudi Arabia and Sri Lanka.
